Pictured here enjoying what's left of the cherry blossoms this past spring in Washington D.C. I have been serving since March of 2007 with the **Remnant Prayer/Mobile Team** in areas of administration and accounting.

“Fifteen Years on Staff With Youth With a Mission!!!”

At left: The college mobile team or **PHOS Team** (**PHOS** Greek word for light) in 1994 where we traveled to college campuses throughout North America. **Bottom Row: Deonn, Erica, Kristi, Sara, Bethany, & Susan. Back Row: Brady, Vern, Matthew, Terry, & I.** They are all the brothers & sisters that I never had and am truly grateful to God for them.

At right: Talking to a church youth group in Dallas, Texas about my experiences and how being a missionary was the last thing I wanted to do on Earth.

At left: The Olympics in Atlanta, GA in 1996 for the **YWAM (Youth With a Mission) Games Outreach**. I worked accounting for the **YWAM Games Outreach** in Tyler, TX from January until July and was relocated for five weeks before and during the Summer Olympic Games.

At right: **Dayspring Campus of YWAM-Tyler** where I spent ten years, two of which as a student and the other eight serving on staff.

At left: The **Wycliffe Bible Translation Station** on Mt. Elgon on the Kenya/Uganda border where I did my **School of the Bible (SOTB)** student outreach in 1997. The **STOB Team** worked with pastors and church leaders teaching them Biblical Principles that can be applied to all aspects of society.

At right: **Teachers for the Nations (TFN)** where I was first a student then served on staff. I went on outreach to Puno, Peru in 1998 with **Charity (l) & Sarah (r)** and taught principles on education, government, & economics.

At left: **Archie & Rome'** from Namibia, Africa who I met in 1998 as **Teachers for the Nations** staff. (**Archie & Rome'** along with their son **David** and two more sons are now teaching at an **YWAM-elementary school** in their native country).

At right: **Germain**, who is from **Rwanda**, came to the United States in 1998 to complete the **Teachers for the Nations** training program. **Germain** survived the 1994 genocide in his native country. He is currently married with one child, another on the way, and living in England.
